

THE BARON™

UPRIGHT & PORTRAIT

ARISTOCRAT GAMING

THE BARON™ UPRIGHT

YOUR PROVEN PERFORMER

THE BARON™ UPRIGHT OVERVIEW

INTEGRATED CANDLE

Lowers cabinet profile for improved sightline and a sleek look on your floor.

DIRECT & INDIRECT DYNAMIC EDGE LIGHTING

Innovative, game-driven combination of direct LED lights bordering cabinet and monitor exterior and indirect backlighting on cabinet chimney for unparalleled curb appeal.

DUAL 27" ULTRA HI-DEF 4K MONITORS

Innovative, game-driven combination of direct LED lights bordering cabinet and monitor exterior and indirect backlighting on cabinet chimney for unparalleled curb appeal.

5.1 SURROUND SOUND

Discreet soundbar in player tracking panel, two top monitor speakers, and subwoofer in cabinet combine for new & improved surround sound experience.

IMPROVED WIRELESS CHARGING

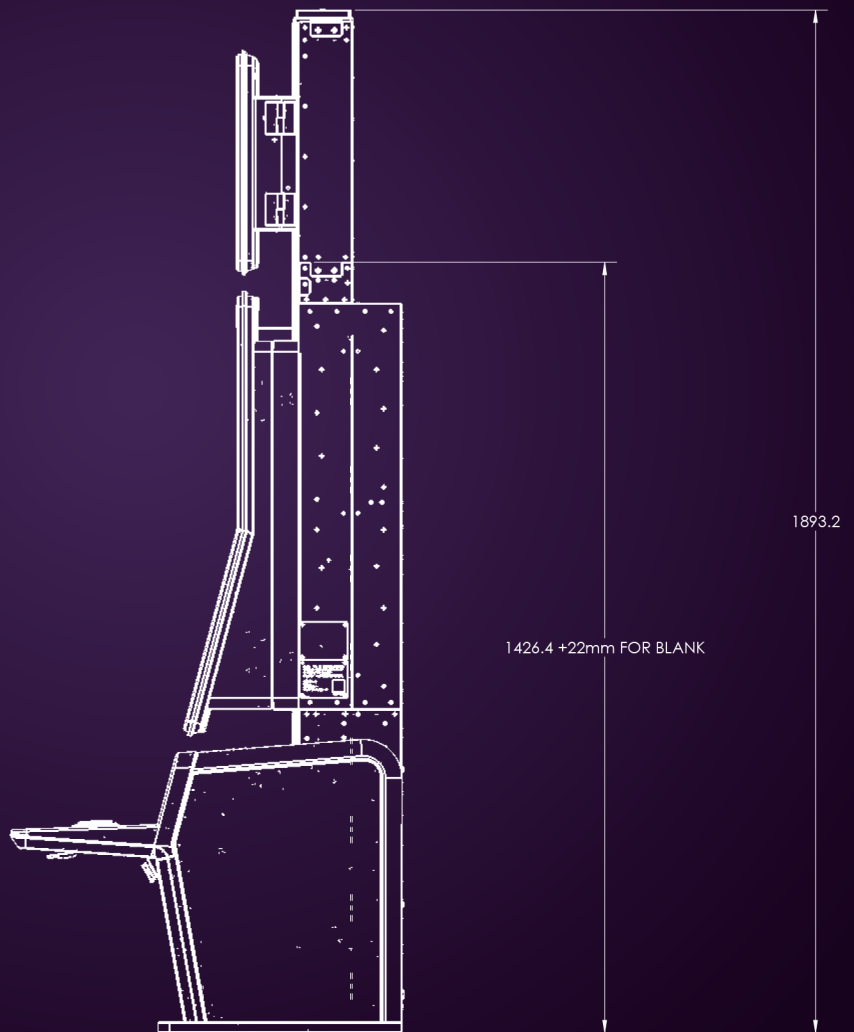

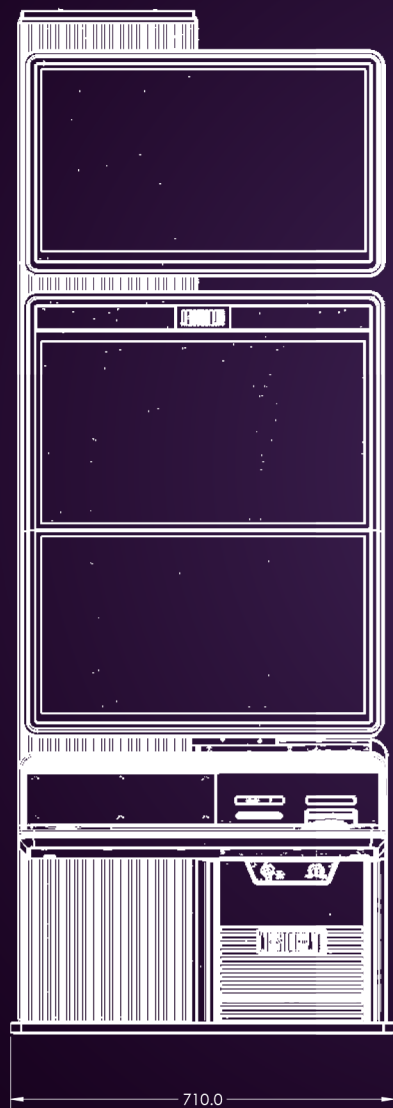

Qi 1.2.4 compliant wireless charger charges more quickly and reliably.

HI-DEF TOPPER

The 27" LCD topper integrates game play and jackpot features. Its sleek low profile design seamlessly blends in giving the feeling of their monitor rather than a standalone topper.

THE BARON™ UPRIGHT SPECS

THE BARON™ PORTRAIT

**MEET THE FUTURE
OF YOUR FLOOR**

Introducing the Baron Portrait:
the centerpiece for the modern gaming
floor. Its commanding presence is
engineered for cinematic gameplay,
designed to maximize player
engagement and deliver an
unparalleled gaming experience.

THE BARON™ PORTRAIT OVERVIEW
